BOOK SYNOPSIS

BECAUSE YOU DEMANDED IT...THE HIGH-FLYING HERO THAT CAPTURED THE IMAGINATION OF THE WORLD IS BACK WITH A COLOSSAL NEW COMICS MILESTONE! In a city under siege by robots, aliens, monsters, and even worse... celebrities, there is only one woman the people of Los Angeles can count on: the stratospheric superhero called Faith! Aspiring reporter by day and dedicated crime-fighter by night, Faith has tackled every obstacle in her path with confidence - like those crushing deadlines at work, the long-distance boyfriend half a world away, and the missing back issues that plague her comics collection! But, unbeknownst to her, Faith is about to collide with the one force she never saw coming: an up-and-coming super-villain bent on snuffing her out once and for all! But who is lurking behind the mask of her new foe...and could they just be the one person capable of rendering Faith powerless? Faith's headline-grabbing adventures continue here as breakout writer Jody Houser (Orphan Black) and sensational artists Pere Perez (ARCHER & ARMSTRONG) and Marguerite Sauvage (DC Comics Bombshells) deliver the next high-flying chapter to the all-new ongoing series read round the world! Collecting FAITH (ONGOING SERIES) #1-4.
