

The Syntax Workbook A Companion to Carnies Syntax

BOOK DETAILS

- Author : Andrew Carnie
- Pages : 192 Pages
- Publisher : Wiley-Blackwell
- Language : English
- ISBN : 1118347544

BOOK SYNOPSIS

The Syntax Workbook was written as a response to the students and instructors who, over the years, have requested more problem sets that give greater experience in analyzing syntactic structure. Aligned chapter-by-chapter with Carnie's bestselling textbook, this workbook provides over 120 new exercises on all of the major topics in generative syntax. An all-new workbook to accompany the bestselling syntax textbook, *Syntax: A Generative Introduction*, which answers the need for a practical text in this field. Features over 120 problem sets with answers, designed to give students greater experience of analyzing syntactic structure. Exercises and topics covered includes phrase structure, the lexicon, Case theory, ellipsis, auxiliaries, movement, covert movement, locality conditions, VP shells, and control. Supported by expanded online student and instructor resources, including extra chapters on HPSG, LFG and time-saving materials for lecturers, including problem sets, PowerPoint slides, and an instructors' manual. Structured to reflect the style and chapter-by-chapter coverage of the textbook, but its practical, reader-friendly layout also makes it suitable for use as a stand-alone Workbook.

THE SYNTAX WORKBOOK A COMPANION TO CARNIE'S SYNTAX - Are you looking for Ebook *The Syntax Workbook A Companion To Carnie's Syntax*? You will be glad to know that right now *The Syntax Workbook A Companion To Carnie's Syntax* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Syntax Workbook A Companion To Carnie's Syntax* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Syntax Workbook A Companion To Carnie's Syntax* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Syntax Workbook A Companion To Carnie's Syntax*. To get started finding *The Syntax Workbook A Companion To Carnie's Syntax*, you are right to find our website which has a comprehensive collection of manuals listed.
